Stronger Than Courage: Raylee's Story

Shriners on Parade | **and more!**

From the Potentate

Nobles and Ladies,

October is one of my favorite times of the year. As I look around and see the beauty of God's creation,

I am reminded once again of how truly blessed we are. Our Heavenly Father has given us the changing of the seasons, and October allows us to witness the beautiful transformation from the warmth of Indian summer into the crispness and beauty of fall. The changing colors of the leaves remind me that God is continually renewing His creation and giving us new opportunities to appreciate His blessings.

As Lady Betty and I reflect on this beautiful season, we want to express our sincere gratitude to all of our Oasis Nobles, Ladies, families, and friends throughout our communities. Thank you for giving your spirit, your time, your talents, and your resources in support of our great philanthropy; Shriners Children's.

It is truly a blessing for me to see—and to be a part of—the fruits of all the hard work that goes into supporting Shriners Children's. Whether it is through golf tournaments, BBQs, fish fries, drawings, fishing tournaments, or the countless other fundraisers and activities held throughout our Oasis, every effort makes a difference. What may seem like a small contribution to one person can become a life-changing opportunity for a child and their family.

That is what being a Shriner is all about—serving others and making a difference in the lives of children.

I am always delighted and humbled when I have the opportunity to present a Shriners International 50-Year Service Award and pin to one of our nobles. On August 15, I had the privilege of attending the Masonic Awards Night for Westgate Masonic Lodge #738, at the Metrolina Shrine Club and presented Noble Mike Bryant with his award and pin.

There is something very special about seeing the various branches of our Masonic family come together to recognize those who have faithfully served for so many years. These men have given their time, talents, and dedication to making our fraternities stronger and more successful. To be present and witness that recognition is truly humbling.

As you read this, SASA 2026 and the Annual Communication of the Grand Lodge of North Carolina will be in the history books. These events remind us once again of the strong connection and fraternal bond that exists among the Masonic family in North Carolina.

Our inaugural Jack Wallace Golf Tournament was held on October 6. Thank you to everyone who participated in this

event—whether you played, sponsored a team or hole, donated, or came out to help work the tournament. Your support is greatly appreciated, and I look forward to seeing the positive results of this event for Oasis.

On October 9 and 10 we will have an opportunity to support the Masonic Home for Children at Oxford. I hope many of you will make plans to attend and enjoy a wonderful time of fellowship with our Masonic brethren and most importantly, the children we are privileged to serve at MHCO.

Our Oasis Circus is also fast approaching! I hope and trust that you and your families will make plans to participate and enjoy this great Oasis tradition. These events are about more than just having fun—they are opportunities to come together as a Shrine family, strengthen our fellowship, and continue putting smiles on children's faces.

A Little October Tidbit

As we approach Halloween, here is a little bit of history. The word Halloween comes from All Hallows' Eve, meaning the sacred evening before the Christian holy day of All Saints' Day. Over the centuries Halloween has developed into a celebration that combines ancient traditions, religious history, and modern customs.

In whatever way you and your family choose to celebrate Halloween, please remember to be safe, watch out for our children, and look after one another.

"The Journey Continues!"

Fraternally and with gratitude,
Tim Farris, Potentate

From the Recorder

Hello Everyone,

I hope this note finds you well. This month I once again use my article to focus on our hospital kids, and I

hope you enjoy reading their stories. This month's focus is on Miracle. The following information is readily available on Shriners Children's website, but I am more than happy to bring it to you personally.

In the middle of the spotlight, dressed in a blue sequined gown and standing confidently on stage, 7-year-old Miracle catches people's attention. But for her mom, Michele, what shines brightest has little to do with the dress, the crown or even the pageant stage. It's the determination that has carried Miracle through 18 casts, two surgeries and now her fifth brace to help her walk with ease. "She's my hero," Michele said. "People tell me I'm supposed to be hers, but she's mine."

Miracle was born with clubfoot affecting her left foot, a condition in which the foot appears twisted inward at the ankle. If left untreated, clubfoot can cause severe mobility limitations, chronic pain and lasting physical complications. Shortly after birth, Miracle was referred to Shriners Children's Greenville, home to the largest team of pediatric orthopedic surgeons in the Carolinas, treating over 125 pediatric orthopedic conditions, including clubfoot. Shriners Children's has always been there for us. They listen, they care and they treat us like family. We know we can always count on them.

Her treatment began early, starting with a series of casts stretching from her tiny toes to her thighs. Even then, Michele remembers a little girl who refused to let treatment slow her down. "Even fully casted, she always found a way to jump," said Michele. That determination followed

Miracle through each stage of her care. Through every cast, brace and surgery, Michele said, "she never once complained."

As Miracle grew, so did the list of things she wanted to try. She began gymnastics at age 4 and basketball when she was 5. Then, an unexpected opportunity introduced her to something new: pageants. "I tried to get her to participate in pageants when she was younger, but she wasn't interested," said Michele. That changed when she learned that the fifth graders at her school needed help raising money for a class trip before they transitioned to middle school. Miracle wanted to help.

She entered her first pageant with proceeds supporting the school trip and discovered that stepping onto a stage could be about more than winning. For Miracle, it became another way to give back. Today, Miracle has participated in four pageants, each supporting the community in some way. She has earned the People's Choice Award and placed third overall, achievements that now sit alongside the reminders of just how far she has come: her casts and braces from over the years. Together, showing that with world-class care and a young girl's determination, anything is possible.

Things continue to go well here at Oasis, and we would love to have your stop by and visit your temple. Take care until next month, and remember, the work you do for our fraternity and philanthropy is sincerely *appreciated* and *essential* to our medical facilities and all our Shriners Children's programs like Miracle that they serve.

TCEC Interact Club Delivers 35 Gallons of Can Tabs to Shriners Children's Greenville

*Submitted by Noble Rory Justin Byers,
Club Advisor, TCEC Interact Club*

On June 16 the Tri-County Early College Interact Club reached another important milestone in its ongoing service to Shriners Children's Greenville. With the assistance of Noble Scott Helton, I had the honor of presenting thirty-five gallons of aluminum can tabs on behalf of the members of the TCEC Interact Club.

This marked the club's fifth donation and brought the Can Tab Legacy Project's total contribution to more than **eighty-five gallons, approximately 400,000 can tabs** since the project began three years ago.

I want to offer my sincere thanks to every member of the TCEC Interact Club, past and present, for their commitment to this project. Whether they collected tabs, promoted the project, organized donations, or encouraged others to participate, each member helped make this milestone possible. This achievement belongs to the entire club.

The Can Tab Legacy Project was established in the spring of 2023 under the leadership of club member Trista Taylor. Since that time, it has continued to grow through the leadership of past club presidents Hailey Curran, Trista Taylor, Abigail Benedict, as well as the dedication of the many current and former members who have carried the project forward.

Special thanks go to Past President Mackenzie Grove for her continued leadership and her willingness to mentor these amazing club members who followed her, helping them manage a service project of this scale.

I also wish to recognize Brooke Osborne, TCEC Interact Club Vice President and Event Coordinator, whose dependability and leadership have helped this project, and many others continue successfully. Congratulations to Brooke on receiving a scholarship from the Rotary Club of Murphy in recognition of her dedication and leadership.

Although each aluminum tab may seem small, this project demonstrates what can be accomplished when students, schools, civic organizations, Shrine clubs, and community members unite behind a common purpose. It also gives our students an opportunity to experience the lasting value of service, leadership, and community partnership.

The club extends its sincere appreciation to the Rotary Club of Murphy, North Carolina, its sponsoring club; the Western North Carolina Shrine Club, its community partner; Oasis Shriners;

Cherokee County Schools of Innovation Principal Mr. Forrister; and the many students, faculty members, staff members, families, businesses, civic and fraternal organizations, and community leaders who have contributed to the project.

I would also like to extend special appreciation to Noble Scott Helton for his assistance in transporting and delivering this donation to Shriners Children's Greenville. As a past president of the WNC Shrine Club and a dedicated community leader, he understands the importance of this service project and the positive impact it has on our youth and community. I am also grateful to Nobles Roy Dickey, Buc Chambers, Steven Byers, and Thomas Sumpter, along with the many other members of the WNC Shrine Club. Their willingness to help reflects the club's continued support for the TCEC Interact Club and its service efforts.

The TCEC Interact Club remains committed to collecting aluminum can tabs for Shriners Children's Greenville. Donations from individuals, families, businesses, and organizations are always welcome and deeply appreciated.

Through the Can Tab Legacy Project, TCEC students are proving that even the smallest contribution can become part of something much greater. One tab at a time, they are building a lasting legacy of service while supporting the important mission of Shriners Children's.

Dune Cats Parade on Labor Day Weekend

Submitted by Noble Scott Edwards,
Oasis Dune Cat Secretary

The World Famous Oasis Shriners Dune Cats proudly rode in the Matthews Alive Labor Day Weekend Parade, and it was truly an exciting and unforgettable experience for our entire unit.

This parade was especially meaningful because we had the honor of having Shriners' kid Connor and our Illustrious Potentate Tim Farris ride along with us. In all, the Dune

Cats proudly represented Oasis Shrine with an incredible 34 participants—one of the largest turnouts our unit has had for a parade this year!

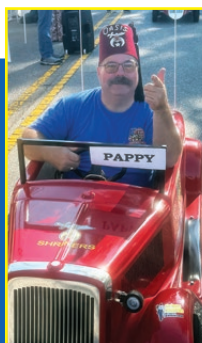

Connor was presented with a special Dune Cats parade shirt which he wore proudly as he rode alongside us. Seeing the smile on Connor's face was a powerful reminder of exactly why we ride.

Connor's parents expressed their sincere appreciation for everything Shriners Children's has done for their son. For the Dune Cats, having Connor ride with us made this parade about so much more than three-wheelers, flags, and a great turnout. It was about family, friendship, and the mission we proudly support.

We were honored and proud to have Connor as our Parade of Honor rider. He wasn't just riding with the Dune Cats—he was the heart of our parade.

To every Dune Cat who came out, participated, helped, and represented Oasis Shrine with pride, THANK YOU! Your dedication and support are what make this unit special.

We ride so they can walk.

Stronger Than Courage

Submitted by Raylee Adrianna Hill

My name is Raylee Adrianna Hill. I was born on June 1, 2010 to my amazing parents, Veronica Hill and Adrian Hill. From the very beginning of my life, I faced a challenge that would shape my journey, but it would never define who I am.

At birth I suffered a brachial plexus Injury — an injury that affected my left arm. While most babies were simply learning to crawl and explore, I was already beginning a journey filled with doctors, therapists, surgeries, and determination.

When I was just six months old, my parents took me to Houston, Texas for my first surgery. They hoped and prayed it would give me a better chance to use my arm. Then at 18 months old, we traveled to Shriners Children's Philadelphia for my second surgery. Even though I was too young to remember everything, those moments became part of the story of my strength.

At four years old I had my third surgery at Shriners Children's Greenville. Every surgery was another step toward giving me more independence and a brighter future. The doctors, nurses, therapists, and everyone at Shriners never stopped believing in me.

In 2016 I was honored to become the Gaston County Shriners Queen during the Shriners' 100th Celebration. It was a special moment that reminded me how much love and support surrounded me. I wasn't just a patient, I was part of a family.

Because of the care, encouragement, and opportunities Shriners gave me, I can proudly say that I can do all kinds of tricks with my left arm. What once seemed impossible became

possible through years of hard work, therapy, and never giving up.

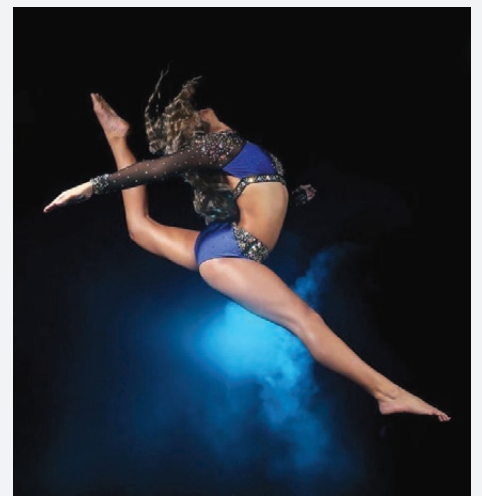

Today I am a junior in high school and I love living life to the fullest. One of my greatest passions is dancing. I proudly dance with Fever Dance and Tumble, where I continue to challenge myself and grow every day. Dancing isn't just something I do—it's a reminder that determination is stronger than obstacles. Every performance is proof that limitations don't have to stop dreams.

Looking back, I know my journey hasn't always been easy. There were surgeries, appointments, therapy sessions, and moments when things were difficult. But every challenge taught me resilience. Every victory, no matter how small, became something to celebrate.

I will always be grateful to Shriners Children's. Their care, compassion, and belief in me have changed my life forever. Without them, many of the things I can do today might not have been possible. They didn't just help heal my arm—they helped build my confidence, my independence, and my future.

My story isn't about an injury, it's about courage. It's about perseverance and about believing that anything is possible.

My name is Raylee Adrianna Hill, and I am living proof that strength isn't measured by the obstacles you face, but by the determination to keep moving forward. My journey continues, and I can't wait to see where it leads next.

Chaplain's Corner

Reaction: Bitter or Better?

Bitter or better? Yep. That is the question we are faced with today. We have a choice. We can get bitter or we can get better. In fact, that is the title of a favorite book "You Can Get Bitter or Better!" by Rev. James W. Moore. Dr. Moore says, "When trouble

comes, when disappointment breaks your heart, when sorrow grips your spirit, you have a choice: You can get bitter or better!" Dr. Moore continues, "All of us, at one time or another face sorrow, grief, or loss." The question is, how will we RESPOND to those challenges? We have a choice. We can become bitter, or we can ask for God's help to grow into better people.

In his book "Everybody's Normal Until You Get to Know Them", Pastor John Ortberg compares us to porcupines huddled together on a bitter cold winter night. The colder it gets outside, the more we huddle together for warmth. But the closer we get to one another, the more we hurt one another.

So, how are things with you? Are you finding life like the porcupine? The closer we get to one another the more we tend to hurt one another? Are we irritated, agitated, ill? Well, as Dr. Moore writes, we have a choice as to how we are to react. We can get bitter or we can get better.

One pastor tells of the 91-year-old lady he visited in the hospital. He stepped into her room, to find her sitting up in bed, writing notes to the church's shut-ins. She explained that she had come to the realization that the people who could not get out of their homes—the shut-ins—must be lonely. She said, "I write to them to encourage them, to cheer them up." At 91 this lady decided that she would do those things to make her get better.

We can maintain that 'thankful journal'. To get better we can write two or three things for which we are grateful at the end of each day. Then we can pray about those things which disappoint or grieve us. We can get better by making every day a day of Thanksgiving! We know from our past life experiences that we may be suffering now, but the God of grace will restore us and our lives. May God hold you in the palm of His hand.

Time to Clown Around!

*Submitted by Noble Wayne Alley,
Clown 1st Lieutenant*

Greetings nobles and ladies from your Oasis Clown unit. It is almost time for the circus. We look forward to seeing everyone there. We also look forward to giving away as many bicycles as possible. Last year, we gave away over 100 and hopefully this year we will be able to do the same. All thanks to the clubs, units and individuals who participated in this endeavor. Thank you from the bottom of our hearts for helping our children to get a bike. Also, we would like to invite any noble who would like to become a clown to please contact me (mr.dimples1970@icloudcom) so that we can help you enjoy the fun at our circuses, parades, SASA and other events. We have costumes and makeup and we'll help you transform into the clown you've always wanted to be! (Here's a secret: When you're in costume and makeup, nobody will know it's you unless you tell them.)

SHRINE TRAILER Travels for You

Did you know the Shrine hospital trailer is available for your public Shriners Children's hospitals fund raising or awareness events? Noble Sam Moody has generously agreed to volunteer his time and energy to transport the hospital trailer to any location within the Oasis region in an effort to spread the word about our wonderful hospitals.

The trailer unfortunately cannot be used for fraternal (non-hospital) fundraising.

**Noble Sam is ready and willing to
bring the trailer to your location,

Another Great Oasis Shrine Circus is coming this October!

Dear Nobles and Friends of Oasis Shriners:

Create lasting memories for families throughout the region and ensure that the magic of the circus continues to inspire and delight audiences of all ages. **Join Circus Mom & Dad** and get involved with friends or family and enjoy unique benefits at the Oasis Shrine Circus. There's something for everyone to enjoy under the big top!

Each program level offers adult tickets and unlimited children's tickets, to any circus performance. If you're unable to attend, share your tickets with family or friends, or your tickets can be shared with children and adults from local non-profit organizations. Brings joy to as many people as possible!

As with previous years Shrine Services will help us connect with the community, but Oasis Shriners members are encouraged to reach out directly and participate through the Mom & Dad Program. It's a chance to make a positive impact and support an event that brings smiles to families across our area.

Don't miss the opportunity to be a part of this cherished tradition. Join the Circus Mom & Dad Program, bring your loved ones, and help us share the wonder and excitement of the Oasis Shrine Circus. Thank you for your continued support!

Ahoy, Mateys! The Oasis Buccaneers Invade Greenville!

Submitted by Noble Drew Hartman, Buccaneers Captain

On the fourth day of September, the high seas of South Carolina shook as our very own Oasis Buccaneers joined forces with five allied pirate crews from the Kazim, Sudan, Omar, Alee, and Hejaz Shrine Temples for the legendary 2nd Annual Pirate Invasion at Shriners Children's Greenville.

Six mighty Shrine temples sailin' under a unified banner—all with one sole target: bringing joy to the bravest young warriors on the coast.

This fierce armada didn't come empty handed. Through the generosity of nobles and supporters across the realm, we hauled in a king's ransom: \$11,500.00 in gold and silver, plus over a hundred pounds of aluminum pull-tabs! Every cent and every tab goes directly toward keeping the ship of healing sailing smooth for those kids and their families.

Once the treasure was safely stowed, our crew dropped anchor in the halls of the hospital. We spent the day swapping high-seas tales, sharing hearty belly-laughs, and spreading bright smiles to the young patients and their families. To see those brave kids laughing and wearing pirate hats was the richest plunder any buccaneer could ever hope to claim.

We had the high honor of sailin' alongside a true titan of the tides, Jay Tucci! A master teller of children's tales, a YouTube voyager, and a proud former Shriners patient himself. Jay brought magic and hope to every room he entered. He stands as living proof of the wonders accomplished inside those hospital walls.

This grand festival of giving is growin' larger with every turn of the tide, and our spyglasses are already fixed on next year's invasion!

A massive tip of the tricorn hat and a hearty **HUZZAH!** to every noble, scallywag, and supporter who lent a hand or donated treasure. When the smoke clears and the sails drop, this be what the pirate's life is truly about... bringing strength, hope, and smiles to our precious young ones!

Fair winds and following seas to you!

Do you think you have the heart to be a pirate? Send a line to oasisbuccaneers1@gmail.com or find us at the next Oasis ceremonial.

Toy Donation Guidelines for Shriners Children's Greenville

At Shriners Children's Greenville, toys and games are more than just entertainment – they are tools that bring comfort, healing and joy to patients and their families during their hospital journey.

The hospital carefully selects toys, games and essential items best suited for each patient's unique needs. To ensure the safety and well-being of patients, they follow strict infection control policies and can only accept **new items** – no collections, stored items or previously used toys.

When planning your donation, keep the following guidelines in mind:

- **Patient privacy regulations (HIPAA)** does not allow donors to personally distribute toys to patients.
- Games, books or toys that depict violence or include toy weapons are not accepted.
- **No latex items, stuffed animals or plush toys.**
- Toys should be **new, in original packaging**, with tags attached.
- Please **do not wrap toys.**
- Sharp, glass, ceramic or breakable items are not accepted.
- Toys and games suitable for sitting are encouraged for patients with limited mobility.
- All donations should be scheduled for delivery – unscheduled drop-offs cannot be accommodated.
- Please consult with the hospital before donating durable medical equipment such as wheelchairs, walkers or standers.

You can also shop from home through the hospital's [Amazon Wishlist](#). Your contributions will ship directly to the hospital, ensuring patients receive the items they need most.

Thank you for helping to brighten the lives of our patients and their families. Your generosity and kindness makes a lasting impact!

Please contact Jennifer Taylor at Jennifer.Taylor@shrinenet.org for a copy of the toy and donation wish list.

Oasis KartAttacks Bring Awareness of Shriners' Mission to the Parade Route

Submitted by Noble Marty Taylor, KartAttacks Captain

When the engines start and the Indy-style karts roll into a parade, people take notice. Kids and parents alike can be heard yelling "Here come the KartAttacks!" Since its formation in 2024 the Oasis KartAttacks parade unit has quickly grown into one of

Oasis Shriners' most visible and energetic ambassadors.

The KartAttacks now includes 22 nobles, 11 motorized Indy-style karts, a 4-wheel ATV support vehicle, a golf cart, and a professionally manufactured full-sized mascot costume.

What began as a new unit has become a crowd favorite in communities throughout North and South Carolina, combining the excitement of parade participation and spectator entertainment with the fellowship and camaraderie experiences that make Shrine membership special.

In 2026 the KartAttacks will participate in an impressive 23 events. Behind the bright karts and enthusiastic riders is a purpose that reaches far beyond entertainment. Every event gives us an opportunity to represent Oasis Shriners, connect with the public, and increase awareness of Shriners Children's and the exceptional care and services provided to children and families.

One highlight this season came in July when we traveled to Tampa, Florida for the 152nd Shriners International Imperial Session. On July 14 we proudly participated in the Imperial Shrine Parade, representing Oasis Shriners before nobles, families and spectators from all across Shrinedom.

The occasion was especially significant because the KartAttacks were the only Oasis parade unit to participate in the Imperial Shrine Parade in Tampa. For a unit formed just two years ago, representing Oasis on the Imperial Session parade route was a proud accomplishment and an experience we will long remember as an honor and privilege.

Whether rolling through your hometown or down a cobblestone parade in Tampa, the nobles of the Oasis KartAttacks are proud to wear the fez, to represent Oasis and to help bring greater awareness to the important mission of Shriners Children's.

The KartAttacks continue to grow and we welcome in motivated Shriners who enjoy fast-paced fun, fellowship and representing Oasis. Interested in joining? Contact me at oasis.kartattacks@gmail.com and we'll get you started with the team.

The engines are running, the unit is growing, and the KartAttacks are ready to change the world! LETS GO!

Quality Awards Submissions Due October 15

How many activity points has your club or unit collected so far? Time is ticking down for clubs and units to earn points for the Quality Awards. **The deadline for applications to be turned in is October 15, 2026.**

The Club and Unit Quality Awards is an Oasis program that debut this year. It was designed to recognize the work our clubs and units do in addition to fundraising. Points are earned when members attend ceremonials, hold a membership event, or attend a Shrine social. Nobles should send documentation for each qualifying activity to their club president or unit captain. Documentation includes hotel receipts, screenshots of Eventbrite confirmations, or pictures of yourself at an event.

Unit captains and club presidents can obtain a Quality Award Application through their Divan rep, the chief aide, or they can make a copy of the application on this page. Recognitions will be made at Club & Unit Appreciation night on November 6.
