SASA Annual Meeting Includes Saturday Beach Bash

Picnic, entertainment, and awards

The 43rd Annual Meeting of the South Atlantic Shrine Association will be held on September 14-17, 2016 in Myrtle Beach, South Carolina.

In appreciation of Shriners, the City of Myrtle Beach has designated the week a city-wide festival and the entire town is ready to celebrate. You will not want to miss any of the fun.

Oasis Headquarters will be the Springmaid Beach Resort located at 3200 S. Ocean Boulevard. Ill. Sir Johnny King has reserved a block of rooms and rates start at \$114/night. This year we're fortunate to have SASA headquarters and events at Springmaid as well, including the Shrine Marketplace and Ladies' Luncheon

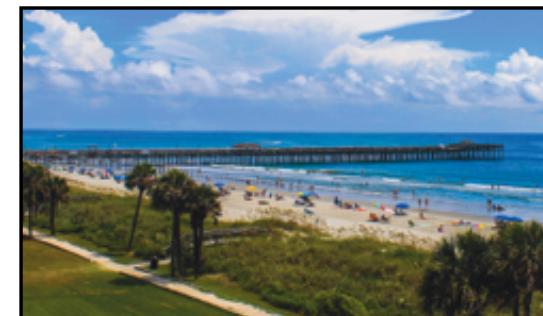

Springmaid reservations phone line is 800-770-6895. Please mention "Oasis Shriners" when booking your room. The cutoff for reservations is August 14.

Potentate Johnny King spoke of the weekend's events, "There will,

of course, be a hospitality room for our Oasis Family, and we have deejay Eric Bowman lined up for Friday night beginning at 8 pm. This is a free event for Oasis Nobility. Saturday is packed. We'll be well represented in the parade, then you won't want to miss the big Beach Bash featuring Jim Quick and Coastline Band followed by the parade awards ceremony. Bring your lawn chairs and coolers. It's going to be a family celebration."

SASA Registration will be conducted the same as in previous years. Pre-registration for non-unit nobility is \$10 (lady included). This can be done by mail or on line. Cutoff date is September 1. Registration at time of the event is \$15. Registration badges will be required to attend all events. Badges will be issued to both Nobles and Ladies. Armbands will be issued to additional guests.

The Potentate's Message

Greetings Ladies and Nobles!

Summertime, and the livin' is

HOT...although temperatures were relatively (and mercifully) cooler by comparison for Family Fun Day as a record number of us came out to enjoy the weekend at the Red Fez Club. Friday was a great time for adults, then came Saturday when more than 40 kids dipped their hooks in the fishing tournament, followed by awards for their efforts and those of Oasis cooking teams. A grand time was had by all – see the photos elsewhere in this issue of the Desert Dust.

Oasis Legacy Night was a great success, hosting Imperial Sir Jerry Gantt, his Lady Lisa, and many of our Oasis legacies. Legacy night celebrates

generations of Oasis Nobles within families and is an Imperial supported event brought into being for Oasis by Marshal, Noble Chris Hall and event chair Joe Burris. Imperial Sir Gant was honored to present more than 100 special plaques and pins to our Oasis Legacy Nobles during this inaugural event.

July began with Imperial Session in Tampa, Florida and we were pleased to have among our delegation, Most Worshipful Bryant D. Webster, Grand Master of Masons in North Carolina. There were quite a few meetings during the session, and MW Webster didn't miss any. Meantime, one of the highlights at Imperial is the presentation of the donations from all six temples taking part in the Shrine Bowl of the Carolinas. This year's

combined amount for Shriners Hospitals for Children was \$2,563,000. This was a change for Oasis, after nearly a decade of presenting our donation separately. We are back in support with the Shrine Bowl of Carolinas.

New Imperial Potentate Chris Smith's Lady Ethyl has a special fundraiser to support Shriners Hospitals for Children. It is a summer camp program called *The Sky is the Limit*. (Last year we gave \$125,000 to then First Lady Lisa Gant's Brittle Bone Project for Shriners Hospitals for Children.) When First Lady Ethyl called my name, I and (I think for the first time at Imperial) the Oasis Divan and Ladies in attendance filed onto the stage before some 4,000 in attendance. When I was handed the microphone, I took the opportunity to brag on Oasis, by telling all that Oasis is a proud Shrine Center that has done everything Imperial has ever asked, and yet, has NEVER won an award for membership. I explained that Oasis IS the largest Shrine Center in the world and we are NUMBER ONE of all 196 Shrine centers in membership. (We began this year at 5400 members, and this may change in 2017 because we have more than 800 Oasis Nobles who have not paid their 2016 dues.) I went on to tell them that we were also NUMBER ONE in giving and that last year, 5400 members

raised \$1.4 million to help support Shriners' 22 hospitals. I also told them that we are family working for the kids and all this money is raised by our Nobility and our Ladies.

When the time came to answer First Lady Ethyl's call for her fund raiser, Chief Rabban, Noble Mike Neaves and Assistant Rabban, Noble Johnny Burgess unfurled a giant plastic check and you heard a gasp as she read the amount of \$130,000. I had the real check in my pocket, and I presented it to her.

North Carolina Grand Master Bryant Webster was guest of honor at a special dinner held by our state's three Shrine Centers: Oasis, Amran and Sudan. Of the 61 Nobles present, 36 were from Oasis. MW Webster's experience with, and as an (Oasis) Shriner, has resulted in his renewed pledge of support for Shrinedom.

Coming up: REV-IT-UP for the Annual Shrine 100 Race at Carolina Speedway in south Gastonia, August 9, sponsored by the Gaston County Shrine Club. The green flag drops about 5pm. It promises (as usual) to be a great public venue for Shriners and our support for Shriners Hospital for Children!

SASA Time: We are prepping for the South Atlantic Shrine Association meetings and giant parade in Myrtle Beach in mid-September. Look for the full schedule in this issue of the *continued on page 9*

The Recorder's Message

Hi Nobles and Ladies. We just returned from Tampa, Florida after attending the 142nd Imperial Session of Shriners International and Shriners Hospitals for Children, my third Imperial Session as an Oasis Shriner. This trip I proudly served as part of the Oasis Leadership Team and attended the Shrine Recorder's Association annual meeting and banquet. So now it becomes my duty to remind you that we have so much to be proud of on a national / international level:

A. Oasis Shriners remains #1 in overall membership, with just over 5,500 members at the

end of 2015.

B. Oasis Shriners contributed approximately \$1.4 million to Shriners Hospitals for Children in 2015. The highest amount of any other of 195 Shrine Centers.

C. Oasis Shriners made an on-stage donation to the Imperial First Lady's fund-raiser in the amount of \$130,000. Again, highest of any other Shrine Center.

Our Most Worshipful Grand Master of Masons in North Carolina, Bryant D. Webster, and two other NC Shrine Centers, Amran and Sudan joined in the Imperial Session fez-tivities. We are very fortunate to have a

strong bond amongst our grand organizations.

In future columns watch for newly approved articles, resolutions and protocol from this year's Imperial Session.

Incredibly, our Oasis Shrine year half-way over, and your Oasis Potentate deserves a mid-year atta-boy. As the leader of 'Team 16', he tries real hard to keep all of the 5,500 or so Oasis members on an even keel continuously touting "we are family, having fun and working for

the kids." It's not just his battle-cry with an emphasis on having fun, but an outpouring from a lifestyle of epic proportions, many years in the making.

Please continue to be supportive of our Oasis clubs and units with late summer and fall fundraisers. Also, be mindful of our Oasis Nobles and their family members with health issues.

*Respectfully Submitted,
Bob Saye*

Students Rewarded for Kindness

On June 9, four students from Fred T. Foard High School in Newton, NC, and two others from St. Stephens High School (not pictured) were presented with the Alan W. Madsen Standing Tall Award of Excellence in memory of Donald Leatherman by his sons Bobby (VP Catawba County Shrine Club) and Eugene Leatherman and his wife of 61 years, Nell Leatherman. This award designated by the Oasis Shrine Temple is so bestowed upon these individual students as a token of appreciation, affection, and acknowledgement by the Leatherman family.

"Dad had never been sick until brain cancer took him home

on May 12," explained Bobby. He was a patient at Trinity Ridge Nursing and Rehab Facility and these students were completing their clinical internship at this facility as part of their health occupations classes at Fred T. Foard High. They performed above and beyond their requirements as they cared for him with special compassion, friendliness and kindness. The Leatherman family thanked the students by making a donation in their names to the Shriners Hospitals for Children and wished them the best of luck in their future medical careers.

(Catawba County Shriner) and the other four Fred T. Foard High School students earned and received their CNA 1 Nursing certifications and a red cord to wear at their graduation ceremony. All plan to further their education in the medical field.

Bobby's message to fellow

Nobles is this: Find someone in your circle - church, community, neighborhood - and honor them with this award. The donation is tax deductible and 100% of the money goes to support Shriners Hospitals for Children. There is no better way to say thank you.

Oasis Shriners Make a Big Impression in Tampa

Oasis Shriners made an on-stage donation to the Imperial First Lady's fund-raiser in the amount of \$130,000, the highest of any Shrine Center.

Shrine Families Bring Generations of Love to the Rescue

By Edie Wilson

From the moment event chair Noble Joe Burris met you at the door to the end of the evening when III. Sir John Stanley, PP, dismissed us with the benediction, the first Oasis Shriners Legacy celebration was remarkable. The Sands restaurant at Oasis Headquarters provided an appropriate backdrop for a long-awaited ceremony in which 137 Legacies were recognized in an event designed for Shriners who have one or more related Shriners, either living or deceased—including through marriage.

Noble Chris Hall, Membership Chairman, opened with words of welcome and praise for Noble Burris and his committee. "Preparations for this night have been underway for at least six months. It required a great deal of coordination and attention to detail."

From the oldest Shriners in attendance to the youngest toddlers—who one day will perhaps become part of the legacy—everyone joined in the celebration with laughter and applause as cameras flashed to record this historic event.

Potentate Johnny King introduced Imperial Sir Jerry Gantt who spoke of his journey through Shrinedom. "In 1972 I started my legacy at Oasis Temple, Gantt explained. "My term as Imperial Potentate ends in about two weeks, and I think

it's most appropriate that my last official Shrine duties bring me back to where it all began."

As names were called one by one Nobles came forth to accept a Legacy certificate from Shriners International along with a keepsake lapel pin and congratulations from the dignitaries.

From legacies come legends. Once the Burgess Clan had assembled to accept

certificates, Noble Hall shared this fact: "All five Burgess brothers have served as Master of St. Andrews Lodge—a legendary first!"

Also of note, Noble Ralph Linn and his Lady Joy shared his grandfather's original framed certificate dating back to 1919.

Just before the evening's end Oasis Recorder Bob Saye called his son to the podium. Robby, who is only 19, became a Shriner in June at our Blowing Rock ceremonial. As a fitting token to the significance of Shrine families, Bob presented Robby with his grandfather's Shrine ring. It was a meaningful ending to a memorable night.

As for the future of the Legacy program, Noble Burris explained: "Our fraternity is based on brotherly love and friendship with our philanthropy as our driving force. I feel as though this event assisted to combine and recognize the deep commitment of our Nobles, their ladies and families to this cause. It is my desire to recognize all Nobles within Oasis at future Legacy night events in the coming years! Special thanks to Noble Chris Hall and Brittany Wright for their assistance in making this event a huge success. Thanks also to our Potentate and Divan for their continued support of all of our membership activities. And a special thanks to Imperial Sir Jerry Gantt for joining us in his last official event as our Imperial Potentate!"

The photographs from this event are now available for viewing and downloading at <http://sweetblissmedia.pixieset.com/oasisshriner>. Enter pin number 7476 in order to download pictures. Remember to tag Sweet Bliss Media if you would like to share the pictures on social media.

We've made some adjustments as you can see—brightened and lightened The Dust. And, by popular demand, increased the type size. I hope you find these changes to be agreeable. In addition, we want to give credit where it is due. The July issue featured a spring ceremonial cover story expertly

penned by Noble Harvey Burgess. We failed to include a by-line, but we really appreciate Harvey's professional coverage of this event.

Death notices for this month will be included in the September issue.

Message from Jerry Gantt

The following are excerpts from Imperial Sir Jerry Gantt's farewell message.

Dear Fellow Nobles,

Lisa and I are very grateful for the honor and the opportunity of serving as your Imperial Potentate and First Lady. Over the last several months, we have become even more aware of the respect that comes with these offices, and have been touched by the graciousness and kindness shown to us by so many. Throughout our travels, people stopped and thanked us for the amazing work of Shriners International and Shriners Hospitals for Children®, and told us about the very real impact it has had on their lives, or on the

lives of someone they know. Their words and gratitude, while shared with us, were meant for you – for everyone who does their best every day to raise awareness and fulfill the mission of our two great organizations.

We also thank you for your tremendous support of Lisa's program, *In Dreams I Walk*, which raised funds in support of treatment and research of osteogenesis imperfecta (OI, also known as brittle bone disease). Shriners Hospitals for Children is a recognized leader in increasing the understanding of this condition, and developing new, more effec-

tive treatments.

Somehow, both our organizations – despite long histories of changing lives and influen-

ing the world for good – are not yet "household names." There are still many people unaware, partially aware or misinformed about the work we do. Our signature events, which draw large audiences and significant media attention, are one way we try to raise awareness and increase visibility, which will help increase name recognition. The more "partners" we have working with us to spread our message, the more effective we will be, and we

are making great strides in increasing our number of affiliates.

Even though I have been deeply involved with Shriners International and Shriners Hospitals for Children for 25 years, what I have seen and experienced over the last 10 months of traveling across the U.S., and in Canada, Panama and the Philippines has been nothing less than inspiring. Visiting our hospitals and outpatient centers, I've seen so many incredible successes, and so many patients who have overcome serious challenges and adapted to changes that could make anyone just want to give up. The children never stop trying. Even more amazing, the

TELEMARKETING FOR OASIS CIRCUS

This is to inform the Nobility that we have contracted with Etsell, Inc (Shrine Services) to handle the telemarketing for our circus again this year. The telemarketers started in April and we have sent them an updated listing of Oasis Nobles and their telephone numbers so they would not call our members. If you have multiple telephone lines or run a business, then you may be called by the telemarketers. If you do receive a call, politely inform the caller that you are an Oasis Member and that you will be contributing through our Circus Mom & Dads Program which is for Oasis Shriners and their family.

We have had several people contact local Shriners to see if this is a legitimate operation. This is very much supported by Oasis and was approved at the stated membership meeting at the beginning of the year. If you are asked about this, please let the interested party know that this is an Oasis Fundraiser and that Etsell (Shrine Services) sends runners out to collect the contributions from participants after they agree to contribute to the circus project.

If you have questions, please contact Noble Rodney Morgan at (704) 985-5253. If you need to leave a message we will get back in touch with you.

"Like a Fruit Cocktail?"

You are to love your neighbor as yourself. The fruit of the Spirit is love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, and self-control."

by the Spirit.

And, if we are to live by the Spirit, we must also be guided by the Spirit.

The fruits of the Spirit are: *Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.* We are not called to PRODUCE the fruit—we are simply called to BEAR - TO EXHIBIT - The Fruit of the Spirit. And, the fruits we are to exhibit: *Love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.* The secret to living an awesome, wholesome life is to CHOOSE to live our lives in accordance with those nine fruits.

Some years ago, Rev. Robert Schuler said that when he was a child, his family made their choice by starting the day repeating the following: *"I'm going to be happy today, though the skies may be cloudy or gray. No matter what comes my way, I'm going to be happy today."*

We apply the fruits by listening to the writing of The Apostle: *The entire law is summed up in a single command: "Love your neighbor as yourself."*

Everyone's a Winner at Family Fun Day

It was a beautiful weekend at the Red Fez Shrine Club on Lake Wylie for the Ninth Annual Family Fun Day. The second annual fishing tournament had 45 kids catching 50 fish and countless smiles all around. Each entrant was given a new fishing rod. Special "thank you" to Cabela's Sporting Goods for donating the fishing rods.

There was plenty of fun in the pool, in the lake, on the bounce houses and all over the water slides. With the smell of pancakes in the morning, hot dogs at lunchtime, and BBQ all day long, Shriners from different clubs within Oasis enjoyed the fun and fellowship and came together as family to swap stories...but not BBQ secrets!

To view and download for free the photos from this event, go to www.stevejordanphotography.com and look for the "Shriners" gallery for all the photos from this event as well as past Oasis Shriner events.

Hats and Tea Sets and Balloons. Oh My!

BLOWING ROCK - Lady Theresa's tea party was held on the lush grounds of Chetola Resort during the spring ceremonial weekend. The clear blue sky created the perfect canopy for the pink balloon lift off.

Hats may have been optional, but as you can see from these pictures, Lady Brenda Beaty's camera captured all the beauty of these ladies who certainly dressed up for the occasion. Guests and family over-ran the spacious venue and additional tables and food had to be brought in. Thank you, Lady Theresa, for the years of planning that went in to making this a successful and memorable event.

Hillbillies on Parade

Hey y'all! I just wanted everyone to know how great of a time us Hillbillies are having and how busy we're staying! We attended Independence Day parades in Waxhaw, Lincolnton and Faith. Thanks to all the Hillbillies that came out and participated with us!

To all of y'all who are questioning our old junky cars and silly overalls, here's a little information about us. The Oasis

Hillbilly Clan #13 is a group of men and women who enjoy wearing hillbilly hats with anything from buttons and pins to corncob pipes and coon tails. Along with our hats, our overalls are covered in patches and holes. When we pull up to an event, you can't miss us in our old cars, trucks and even a tractor from the 1920's and 30's all covered in tags and...well anything that

makes it look like something a hillbilly would drive. When we drive our vehicles in the parade, people never fail to give us a thumbs up or greet us with a "Howdy." I guess we come off pretty friendly with our mountain music playing. You don't have to have a vehicle of your own to join our parade unit. You're more than welcome to hang off of the side of one of ours! So, if you're looking

for excitement, close friends and a great time and like to make money for the Shriners Hospitals for Children, look no further! Become a hillbilly and join Clan #13. Always remember that we ride, so they can walk, and don't forget to Honor the Cobb! Contact:
Jake Devine (828) 464-9886
Gary Patterson (704) 938-3930
Lee Moody (704) 451-6151

The Hillbillies are lookin' fer ya!

The “Beat on the Street” is Feeling the Heat

Hot summertime greetings from your Drum & Bugle Corps family! As you receive this issue of “The Dust”, we find ourselves chest high into a good and hot summer of 2016. While it is true that the heat can tend to slow down some activities, we are proud of the great participation we have had from our members in the two big Oasis events, the Spring Ceremonial and the Family Fun Day!

Let's go back up the mountain to Blowing Rock for a sentence or two, okay, may for a whole

paragraph. First, all of us in the Corps want to extend a warm and sincere “congratulations” to each new Noble. We believe that you’ve made a wonderful decision and cannot encourage you enough to get involved right away if you have not already.

From the mountains to the lake, the D&B Family stayed active. After a weekend off it was quickly time for the Oasis Family Fun Day hosted by the Red Fez Club on Lake Wylie. Members of the Corps were active participants on two different teams of bar-b-que cookin’ competitors! We are proud to congratulate both teams for the awards they won. We hope you won’t mind us calling them out by name, and I hope I don’t miss a name. (There’s always that chance)

One of our teams was made up of Rick Griffin, Past Captain Hood Dulin, and Scott Edwards. Our Captain Dave Wallace, Past Captain Tommy Helms, along with Brad Helms made up the other. On Friday night, there was a fun contest for “something different,” and that was won by the team of Wallace, Helms, and Helms. Ladies Betsy Wallace and Kelly Helms joined the Nobles for that award presentation, as they just may have had a little something to do with the success of the entry. We bet everyone that got to come out and enjoy that great meal left feeling like a winner.

On a selfish note, we in the award winning Drum & Bugle Corps would love to have you come out for a visit, especially

if you’ve ever played a drum or a brass instrument. You’d be surprised how your ability to play will come back to you. We’ve had Nobles over the years with only the desire to participate that learned to play and made their contribution. We meet at the Metrolina Shrine Club on the first and third Thursdays.

Let's all continue to work hard to keep Oasis Shriners a winner, because...

“When the Hospital wins, everyone wins!”

David Ragan and Hailey Randall Team Up for Shriners Hospitals

CHARLOTTE - June 28 - III. Sir Johnny and Lady Theresa King, Divan members and Nobles along with their families joined race fans and driver David Ragan at the NASCAR Hall of Fame for the unveiling of Hailey Randall's winning racecar design. Shriners Hospitals for Children held a system-wide Healing Power of Love design contest for Ragan's No. 23 BK Racing Toyota Camry. Randall, a 16-year-old patient at the Twin Cities Shriners Hospital, created a theme that featured a red ribbon that wraps around the car, a "Good Luck!" message from mascot Fezzy, and an abundance of hearts to reflect the love that patients feel at Shriners Hospitals. "We thought this would look really good at Daytona under the lights, going 200 MPH," Ragan explained.

Ragan is joined by Hailey Randall; Imp. Sir Al Madsen representing Shriners International; and Doug Fritz, Chief Marketing Officer for BK Racing.

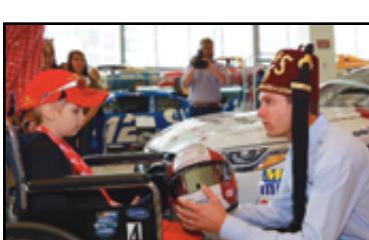

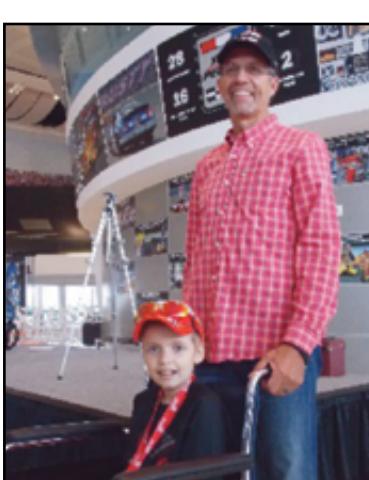

Al Madsen presents Ragan with the "Al Madsen Standing Tall Award of Excellence"

“ I sketched out the top, then the front and back and the sides. I just thought it was a cool color scheme for a car. ”

Hailey Randall

Imp. Sir Al Madsen joins David as he draws back the cover to reveal's Hailey's winning design. On July 2, Hailey and her family joined the BK Racing team in Daytona for her first NASCAR race. She got to see David finish in the top twenty!

Cruisin' with the Keystone Kops

Submitted by Don Deese

Well another HOT summer is upon us and The Keystone Kops Hot Summer Nights Cruise-in is in full swing! The Kops are in their third year of having their weekly cruise-in. It is held every Wednesday night (weather permitting) in downtown Belmont, NC. The car owners start arriving with these beautiful machines around 5pm

and by 6 o'clock it is in full swing and continues until around 8:30. The door prize drawings are held around 7:20 and the big, and I mean BIG, 50/50 drawing is held around 8:15. But like anything else, you can't win if you don't play. The Kops continue to enjoy all the regulars week after week; however, they are starting to see a huge presence in younger folks and kids! Kids everywhere. This continues to be a great family event and it's all free. Friends Restaurant and Glenway Premium Pub both have full menus and outdoor dining that overlooks the three parking lots full of cruisers and people everywhere! The Kops are seeing between 40-60 cars

every Wednesday night, and given the amount of cars and foot traffic, it is no easy task trying to get all these people and cars into these lots. It takes effort on everyone's part. The Kops and the Ladies are always out working the crowd selling 50/50 tickets for \$1 each with Beach Music and Classic Oldies playing in the background by DJ Johnny B and the Carolina Beach Party or DJ Brian Wilson (Oasis Shriner & Keystone Kop). The DJ's are always pumping the crowd up and telling them how much they are appreciated by supporting Shriners Hospitals for Children and the Oasis Shriner Keystone Kops! Periodically, a former/current patient from one of the hospitals will also show up and that really gets the crowd going.

If you have never been out to a cruise-in with the Keystone Kops

I encourage you to do so. It is a great family event and I promise you won't be disappointed... besides, it's FREE! There is never an entry fee for the cars. The cruise-in can be found on Glenway Street behind the buildings that face Main Street. The Keystone Kops continue to have multiple sponsors each month, so if you know of or would like to sponsor a month please contact Capt. Don Deese or any of the Kops for info. All Shriners and their families are encouraged to come out and enjoy "The Oasis Shriner Keystone Kops Summer Night Cruise-In" in Beautiful Downtown Belmont, NC.

Dear Nobles and Friends of Oasis Shriners:

It is circus time again and we have planned another great Oasis Shrine Circus with Jordan World Circus.

As in past years we are again asking you to be a:

Circus Mom & Dad: For a \$20 contribution, this entitles you to 2 free adult tickets.

Circus Grandparents: For a \$40 contribution, this entitles you to 4 free adult tickets.

Circus Ringmaster: For a \$80 contribution, this entitles you to 8 free adult tickets.

Each \$20 contribution gets you two adult tickets to any circus performance and as many kids tickets as you want. If you can't use your tickets, we will distribute them to children and adults in other non-profit organizations who cannot afford to attend the circus.

Again this year we will be represented by a telemarketing company, Shrine Services. Please understand they are to omit all Oasis Shriners from their calling list. If they call you, **tell them you are an Oasis Shrine member and have them remove your name from their list**. Explain that you will contribute directly to your temple through the Mom & Dad Program.

No tickets will be mailed after October 5, 2016. Additional tickets are available at Oasis Temple. All contributions will be recognized in the Desert Dust. Thanks for your continuing support of the Oasis Shrine Circus!
